(Bottom of Hill)**

**Saturdays: Aug 26, Sep 16, Sep 30
9 am - 2 pm**

**Sponsors: Martinez Historical Society –
Potter's Field Restoration Project, SOLS**

Break out your inner archaeologist, or Indiana Jones Adventurer and help clean and excavate the Chinese-American Funerary Burner in Potter's Field. Be part of the potential discovery of an older and very rare earlier version underneath. Work with Sean Dexter from Condor Country Consulting our resident Archaeologist & Christian Rousset our Project Manager and master craftsman.

**Refreshments, Water, First Aid, Bug Spray & Suntan Lotion
generously provided by SOLS.**

Wear comfortable clothes, a pair of gloves & protective eye-wear. If you have any tools that you feel could be useful for removing old mortar from brick, please bring them. Otherwise tools will be provided.
