

POTTER'S FIELD PROJECT'S SPRING CEMETERY CLEANUP

Alhambra Cemetery Potter's Field, Martinez (Bottom of Hill)

**Saturday May 11, 2019
9 am - 2 pm**

**Sponsors: City of Martinez, E Clampus Vitus,
Martinez Cemetery Preservation Alliance**

Pay your respects to the many people buried there. Help clean up debris and remove weeds from around the many graves of those that built our communities and made them what they are today, the laborers, builders, restaurant staff, railroad workers, farmers, veterans of our past and many more.

**Lunch for all volunteers generously provided by E Clampus Vitus
Morning Refreshments, Water, First Aid, Bug Spray & Suntan Lotion for
Potter's Field Project volunteers generously provided by MCPA.**

Wear comfortable clothes, a pair of gloves & protective eyewear. Additional tasks will include preparing the Chinese Funerary Burner Site for future excavation by removing sandbags, clearing, cleaning and sorting of brick. If you have any tools that you feel could be useful for the removal of old brick mortar, please bring them. Otherwise, tools will be provided.

For further information, donations or to volunteer:
